

We had 64 players participate in the 2019 "In House" tournament. We had approximately 25 volunteers. Bev Budvarson did a fabulous job in singing the Canadian and American National Anthems.

We had registration at 7:30 and Opening Ceremony at 8:00. Bob Lehrkind handled the opening remarks and introduction to Bev. We also thanked our sponsors: My Dental, Onix, and Barry Tocheri with Athletico Physical Therapy. Play started slightly ahead of schedule at 8:25 am. We had four brackets and 64 players. For the \$15.00 entry fee players received a My Dental shirt, snacks, lunch, a double elimination tournament and medals to the top 3 teams in each division.

We thank all of the many volunteers that made this happen! People worked together to help make this a success. We had a great team and thank you to everyone.

We especially want to thank the players and congratulate the winners!
